

Examples of such information and evidence are found in § 284.30(a).

(i) We will review the assessment provided by the Territory, along with other available data on the Territory's TANF plan and eligibility criteria, other supportive services and assistance plans, and economic circumstances; make a determination whether the increase in the child poverty rate is due to the Territory's TANF program; and notify the Territory whether a corrective action plan is required as specified in § 284.40 and § 284.45.

§ 284.40 When is a corrective action plan due?

Each State and Territory must submit a corrective action plan to ACF within 90 days of the date we notify it that, as a result of TANF, its child poverty rate increased by 5 percent or more for the applicable two calendar year period.

§ 284.45 What is the content and duration of the corrective action plan?

(a) The corrective action plan must outline the manner in which the State or Territory will reduce the child poverty rate in the State and include a description of the actions to be taken by the State or the Territory under such a plan.

(b) A State or Territory shall implement the corrective action plan until the State or Territory determines that the child poverty rate in the State is less than the lowest child poverty rate on the basis of which the State was required to submit the corrective action plan.
